

**OCEAN VIEW SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

MICHAEL HASKIN

OCCUPATION: Business Owner/Community Volunteer

Sixteen years ago my wife and I relocated to Huntington Beach. As a parent of children in the OVSD. For the last 10 years, I know they have experienced a learning environment that is both nurturing as well as safe. We have become involved with the school, and the teachers and staff that we have come to know truly have a heartfelt dedication to the students and their education.

It is for this reason that I feel compelled to accept the challenge of working with these fine professionals. I know that their goal is to institute innovative programs to keep the OVSD on the cutting edge of education. However, the constant threat of budget cutbacks and program changes make this a very difficult task.

Over the past few years, I have personally chaired many committees, raising thousands of dollars. I also have an extensive background in construction and building maintenance. I intend to use these skills to boost revenues, as well as control costs, and see that every dollar is used wisely.

I passionately feel that the teachers and staff of this district deserve our support and involvement. I believe, with your vote, together we can make this happen.
